

Minutes of Emergency Coordination Meeting of BIAG on 5th of August

- 43 members have participated in the meeting.
- There was a great danger to the nine districts of Bihar in the eventuality of breach or blast of mud dam created in the aftermath of the landslide on Sunkosi in Nepal on 2nd August, 2014.
- Members expressed their satisfaction on Govt. ongoing preparedness on disaster preparedness.
- Discussion was also done on the measures taken by member agencies and BIAG as a group.
- Discussion on Revised Common Needs Assessment Formats was also done in the meeting.

Key decisions:

- Authentic information collection.
- One point information dissemination of information rather than all members disseminating the information.
- It was proposed to take steps of measures for one report common for Govt. and BIAG to avoid confusions at all levels.
- Training to be organized at Supaul on RJNA 1 to carry out the testing of revised simplified common RJNA.
