

MINUTES OF IAC TELECONFERENCE HELD TODAY ON ODISHA FLOOD 8th August, 2014

Please find below the points discussed in today's teleconference:

1. Odiya translation of formats to be completed by today evening. Will be shared in the training tomorrow.
 2. In tomorrow's training, focus will be on village level formats. The district level formats will be filled up with secondary information. Kalika will update the names of the persons (who will fill the formats) after tomorrow's training.
 3. Trainers for tomorrow's training to be confirmed by today evening (Munish to take the lead; training team will comprise of: Munish, Manoj, Chitto, Rajiv, Kamal and Manoranjan)
 4. Flexibility to be adopted in terms of coverage of the districts for assessment as besides the worst affected districts (Bhadrak & Jajpur), others too are badly hit (Kendrapara, few block of Puri etc).
 5. Manoranjan to consult IAG members and prepare list of persons who will be attending the training tomorrow in Bhubaneswar. List to be shared by him today.
 6. Assessment report to be shared by 15th August.
- **The next telecom was proposed on Monday at 10 am.**
