Sitrep 3 – Deep Depression and Heavy Rainfall

22 June 2011, 1700 hrs

HIGHLIGHTS

- According to the updated reports, approximately 192,157 persons have been affected in 169 Blocks across 12 districts of West Bengal, viz., East Midnapore, West Midnapore, Howrah, Hooghly, Bankura, Puruliya, North and South 24 Parganas, Murshidabad, Bardhaman, Birbhum and Darjeeling.
- According to the updated reports from the Department of Disaster Management, Government of West Bengal, there were reports of 21 casualties, so far.
- The Disaster Management Department, through the district and block administration has opened a total of 41 relief camps, 14 in West Midnapore and 17 in East Midnapore.
- According to detailed reports from our member, KJKS, from the Midnapore districts, the most affected areas are as follows:

Major Affected Blocks under Purba & Paschim Medinipur			
Name of district	Name of block	Name of GP	Details report
East Midnapore	Panskura-I	Radhaballavpur	<ul style="list-style-type: none"> • Total village is 12 under this GP but 2 village have been fully damaged and affected badly that is Purba Chilka & Paschim Chilka. • 75 houses have been destroyed in 2 villages due to water logging. • Seed-bed has been spoiled of 5000 families. • So many farmers have lost their horticulture business. In Panskura horticulture trade is one of the most ways of earning. • 2400 families have been fully affected in 2 villages where they lost their shelter, agricultural assets, seed, livestock and horticulture trade. • So many families have lost their betel field because all fields are under water. • 8 Relief camp have been started by the initiative of government. • Gradually water level is increasing in other 10 villages of this GP where there is lots of chance to be devastated in future. • 2 village dwellers of Chapadali village have been died and other 3 dwellers are in danger. • Bridge of Bijoyramchak of Panskura has been damaged which is link road. So, communication is getting problematic.

		<p>Reason and source of devastation:</p> <ul style="list-style-type: none"> • Due to breakdown of the embankment of Kasai river of Panskura flood has been occurred. And • Due to go down and breakdown of Rajgachtala embankment devastation has increased in this block.
	Purusottampur GP	<ul style="list-style-type: none"> • 6 villages under this GP can be destroyed due to rising of water because water is inflowing in these villages slowly but surely. • Till now there is no information of relief camp. • Due to incessant deep rainfall seed-bed have been damaged partly of countless families under 6 villages of this GP. <p>Reason: This GP is nearby GP of Radhaballavpur that's why there is lots of a chance of blown up due to devastation as soon.</p>
Tamluk	Garchak	<ul style="list-style-type: none"> • 4 villages' garchak, paikbarh, chakgorupata and rajnagar are going under water logging. • Due to continuous non stop raining seed-bed had become under water as a result seed-bed is damaged.
Moyna	Moyna-I	<ul style="list-style-type: none"> • 100 houses have been damaged of galsabarh and Gormoyna Basda village of this GP • 100 families have lost their seed-bed and betel field • Main road of Srirampur and Moyna is under water.
	Moyna-II	<ul style="list-style-type: none"> • 3 villages under this GP patna, purba dobadhi patna, shyamganj is mostly affected and flooded away. • 60 mud houses have been destroyed and they have become homeless. • Due to water logging Seed-bed, betel field, pond have been fully damaged and flooded away of 450 families. • Till now there is no relief camp. <p>Reason and source of devastation:</p> <ul style="list-style-type: none"> • Due to breakdown of the embankment of Kasai river of Panskura flood has been occurred. And • Due to go down and breakdown of Rajgachtala embankment devastation has increased in this block.
	Tilkhoja GP	<ul style="list-style-type: none"> • 125 houses have been fully damaged rest of 600 houses of purba dobandhi village under this GP. • Other houses have been partly damaged. • 600 household have lost their seed-bed, • 110 families lost their betel field • Maximum families have lost their vegetable sources as they used to cultivate vegetable. <p>Measures have been taken:</p> <ul style="list-style-type: none"> • Till now there is no information of relief camp and distribution <p>Reason and source of devastation:</p> <ul style="list-style-type: none"> • Due to breakdown of the embankment of Kasai river flood and destruction has been occurred.
	Noichanpur-II	<ul style="list-style-type: none"> • 125 families have lost their seed-bed of 3 villages i.e, monuakhali, paschim noichanpur, bhuiyakhali • Due to continuous entering of water damage situation can be occurred.
	Srikantha GP	<ul style="list-style-type: none"> • 50 houses have been damaged rest of 600 houses of Ramchandrapur village.

		<ul style="list-style-type: none"> Seed-beds have been destroyed of 600 families. 95 families have lost their betel field. But gradually water is rising. So, there is a chance of destruction as soon. <p>Measures have been taken:</p> <ul style="list-style-type: none"> Panchayat has distributed some tarpaulin. <p>Reason and source of devastation:</p> <ul style="list-style-type: none"> Due to breakdown of the embankment of Kasai river flood and destruction has been occurred. 	
Kolaghat	Brindabanchak	<ul style="list-style-type: none"> 100 houses have been damaged 100 households have lost their seed bed and betel field Few horticulturists have lost their horticulture field due to water logging. Continuously water level is rising as a result situation of damage may be increased. Bridge of north brindabanchak has been breakdown which is link road for all communication. <p>Reason and source of devastation:</p> <ul style="list-style-type: none"> Due to overflowing of water of Rupnarayan and Kansabati river 	
Nandakumar	Bargoda GP	<ul style="list-style-type: none"> 125 houses have been fully destroyed of 2 villages Partly damages have been occurred in 264 houses. 125 houses have completely lost their seed-bed, vegetable sources, pond and betel field as all things have been flooded away. One villagers got died due to snake bite <p>Measures have been taken:</p> <ul style="list-style-type: none"> Rice and wheat has been distributed by Panchayat Affected and devastated people have taken temporary shelter on the embankment of Kundu. <p>Source of devastation:</p> <ul style="list-style-type: none"> Due to overflowing and increasing of water level of Rupnarayan and Kasai river flood has been in placed. 	
Deshapran Block	Amtalia GP	<ul style="list-style-type: none"> Due to continuous rain fall 20 houses have been destroyed as dwellers have become shelter less. Villagers have lost their seed-bed 	
	Dariapur GP	<ul style="list-style-type: none"> 35 houses have been ruined of 3 villages that is dahasonamoyee, Bankiput and kanaichatta under this GP. Many villagers have lost their seed-bed 	
West Midnapore	Nagram Block	Nayagram GP	<ul style="list-style-type: none"> 30 houses have become under water logging of 3 villages of this GP. 7 bigha seed-bed have been damaged
		Malam GP	<ul style="list-style-type: none"> 20 houses have been destroyed of 2 villages under this said GP 20 houses have lost their seed-bed <p>Reason and source of devastation:</p> <ul style="list-style-type: none"> Water logging in the forest and due to lack of proper drainage system.
	Daspur-I	Nandanpur-I	<p>60 houses have been damaged of Nizampur village. 300 people have been affected. Seed bed, livestock, jute etc have been damaged.</p>
