D. HUMANITARIAN RESPONSE TO THE DISEASE

Government Response:

- Prime Minister Narendra Modi on 14th April announced to extend the nationwide lockdown period until 3rd May 2020 to contain the spread of the coronavirus.
- Till April 20, each police station, each district, each state will be monitored closely to see whether the lockdown is being followed and if that area has saved itself from the virus. Following, this decision on relaxing restrictions in those areas that are successful in this test, have successfully contained the hotspots and prevented new ones will be taken.
- Centre issued detailed guidelines on extended lockdown in which transportation of all goods will be allowed without the distinction of essential and non-essential. The entire guideline can be accessed at <https://mha.gov.in/sites/default/files/MHA%20order%20dt%2015.04.2020%2C%20with%20Revised%20Consolidated%20Guidelines.pdf>
- Union Health Minister Harsh Vardhan holds a high-level meeting through video conferencing with WHO.
- The Andaman and Nicobar administration has adopted the "pool testing" method using less kits for more tests in the fight against novel coronavirus.
- Ola has partnered with Brihanmumbai Municipal Corporation (BMC) to enable essential medical trips in Mumbai. BMC has been provided with dedicated cars for every ward in the city to ferry health workers and paramedical staff across wards and their homes.
- Alappuzha District Administration has decided to convert houseboats into isolation facilities amid #COVID19 outbreak.
- Railways to cancel around 39 lakh tickets booked for Apr 15-May 3 due to lockdown extension.
- Industries operating outside city limits allowed to reopen from April 20.
- 602 COVID 19 hospitals with 12,024 ICU beds are ready to fight the deadly virus, reported centre.

NGO / Civil Society Response

IAGs Kerala:

- IAG Thrissur collaborated with human society international for animal care during COVID 19 outbreak.
- IAG Thrissur has also created focused programs on Disability, Palliative and Geriatric Care for awareness.
- IAG Kasargod is working on awareness generation among people through classes and demonstration, by methods of hand washing and providing adequate water, soap and hand liquid. They have also created a sector wise taskforce with professionals for the response.

Other State IAGs:

- IAG Nagaland in collaboration with Baptist Church and Jotsoma and tailored by BKK has produced 4000 multi coloured. These shall be on the streets within a day or two to fight against COVID 19.
- IAG Manipur is helping local community organization in producing homemade masks as there is a crisis of masks in the market. As of now, a total of 1300 masks have been produced. Also, world vision is spreading awareness in the community groups.

- IAG MP is involved in risk communication and community. they started a COVID 19 rapid relief fund network to reach vulnerable and marginalized communities.
- IAG West Bengal are offering training programs on sanitization, social distancing via social media platform. They are also coordinating with district administration in locating migrant workers and providing relief materials.
- IAG UP in collaboration with UPSDMA and CASA is jointly supporting regular feedback mechanism and agenda setting system. CASA is actively involved in mass training of the volunteers.
- IAG Rajasthan has drafted a Joint appeal letter to protect the vulnerable group letter to be send to CM office in order to bring out last mile gaps.
- Various organisation in Bihar is working in collaboration with IAG in providing food packets. Indra Gandhi organisation, UNICEF are all providing food packets through network created by BSDMA.
- IAG Himachal Pradesh is coordinating with Aangawadi workers, Aasha workers and with government in their effort to provide ration to daily wage workers.
- With the support of terredes home NL, IAG Jharkhand has reached to the unreached migrant labourers in 2 boarder District of Jharkhand, Koderma and Giridih.
- In Karnataka Indian Red CROSS have tied up with DIPR (Department of Information and Public Relation) in volunteer mobilisation and participation. Special helpline is opened up by the department for migrant labourers. 16,000 application is received under Cornawarrior campaign. District administration has activated BBMP wardroom in the state.
- IAG Maharashtra is coordinating with government in containing the cases, rapid tracing program and countering fake news.
- IAG Tripura with 4 other organisations are planning to taken up food distribution for the labourers. Request for obtaining the permission for the same has already been sent to the govt.
- IAG Odisha is working in collaboration with 11 IAS officers and health department in countering the cases and spreading awareness. Govt of Odisha is providing cooked food to 80 urban and local bodies covering 90,000 of the population. Shelter camps have already been arranged by the govt for migrant laborers.
- IAG Tamil Nadu and govt are identifying epicenter of outbreak and screening of the identified hotbeds have already started. IAG is also meeting with advising agencies to not violate the rules of lockdown and work within the permission granted. Message of staff security is also being spread.
- IAG Utrkhand is directly working with state satellite control room for contact tracing. Further, CASA with the help of IAG is providing dry ration to 100 families.
- 5 local organisations are involved in making homemade masks and distributing to vulnerable groups.

Sphere India and its members

- CASA, EFICOR, HFA and OXFAM have come forward to join hands with Delhi Govt. They have provided Ration Kits to Delhi Govt which is now reaching to Unreached.
- World Vision India is have stated responding to COVID-19 in almost 21 states in India. They have provided over 384 meals for vulnerable people through local administration. Dry rations distributed to over 8021 families. Around 9141 masks distributed and over 1500 medical professionals provided PPE kit. More than 1200 community volunteers trained
- Sphere India is drafting advocacy note for all sectors led by respective sector committees which addresses the issues of protection of migrant workers across India sector wise and holistically. Issues have also been raised during nodal coordination with Govt. The issues were also emphasized during health committee meeting and by Sphere India colleagues in UN group recently formed on urban health especially focusing on Hotspot clusters in urban slums and migrants.
- Sphere India will be extending support to all states and UTs where IAGs are not functional or support is requested to strengthen coordination, connecting IAGs with State / District Authorities and possibly with Covid-19 task forces.

- Sphere India organized an Inter Faith Humanitarian Alliance meeting on 14th April to to deliberate and plan for COVID 19 preparedness and response. Participants included different faith leader’s organizations further this will be extended to existing alliances in coordination with respective State IAGs accessed at <https://www.youtube.com/watch?v=Pp7KE9uX9I8&t=1700s>
- Two session of COVID-19 Academy has been planned for April 15th and 16th. **MAINTAINING HEALTHY EATING & LIFESTYLE** on April 15, 2020, 4.30pm to 5.30pm by Dr. Manisha Sabharwal & Dr. Mansi Chopra, NCEARD and **SAFE ENVIRONMENTAL SANITATION AND HYGIENE** on April 16, 2020, 11am to 12.30pm by Mr. Sujoy Mojumdar, UNICEF India.
- The next session of COVID-19 Academy on **INFECTION PREVENTION AND CONTROL DURING COVID-19** is scheduled on April 17, 2020 at 11am to 12:30pm. For registration & joining link, please click at <http://tiny.cc/CAipc>
- Furthermore, NDMA has requested Sphere India to collate information of all organisations who are willing to support with their interventions in the current crisis. All organizations can fill their work and role in Unified Response Matrix which can be accessed at https://docs.google.com/spreadsheets/d/1aLrzi55mc5el6TXDFRLMekg5KyANuUOrCMseZqn__Uk/edit#gid%3D0. There is database of actions of all humanitarian agencies state-wise.
- The information will be shared with NDMA and then NDMA will help facilitating the agencies through authorities at various level accordingly.
