Humanitarian Response

Government Preparedness and Response

Situation in Karnataka: On Monday, heavy rains along with thunderstorms lashed Mangaluru and other parts of coastal Karnataka. Chamarajanagar, Tumakuru, Shivamogga, Hassan, Bengaluru and other parts of south-interior Karnataka received moderate spells of rain with thunderstorms and gusty winds up to 30-40 kilometre per hour during the evening. 4 deaths were reported from the state due to lightning and 2 by drowning. 204 hectares of agricultural and 431 hectares of horticultural crops have been damaged due to rains

Preparedness

- In all districts of south-interior Karnataka, yellow alert was issued on Tuesday by the IMD. Orange and red alerts (heavy to very heavy rainfall) were issued in all districts of coastal Karnataka on Wednesday and Thursday.
- Ahead of the alerts in coastal Karnataka, district administrations of Dakshina Kannada and Udupi have advised people to stay cautious and not enter waterbodies. They have also advised the fishermen to not enter the sea for three days.
- Authorities in Mysuru, Dakshina Kannada, Udupi and Shivamogga districts declared a holiday for all schools in view of heavy rains on May 19th.
- Geological Survey of India has warned of landslides in Uttara Kannada district.

Response

- Karnataka CM, along with his cabinet ministers and senior officials, visited flood-hit areas in Bengaluru to assess the situation and announced a compensation of 25,000 to those whose houses have been damaged and 5 lakh next to the kin of those killed by heavy rainfall situation.
- Four NDRF teams will be stationed in Dakshina Kannada, Kodagu, Belagavi and Raichur. A separate team will monitor the situation in Bengaluru.
