

SITUATION REPORT- 5

Cyclone Remal North East

Date: 07th June 2024 (Fri)
Time: 11:00 AM (IST)

SITUATION UPDATE AND RESPONSE

Manipur:

- Cyclone Remal has resulted in the loss of five lives and injuries to 13 others in different incidents across Senapati and Imphal West districts.
- Over 1.88 lakh people are impacted by floods and landslides across Imphal East, Imphal West, Kangpokpi, Bishnupur, Noney, Churachandpur, Senapati, and Kakching districts.
- A total of 16,364 houses have been reported as damaged.
- Approximately 20,504 people have been evacuated from stranded situations.
- 522 hectares of crop areas have been affected.
- 292 landslides have occurred within three days in various hill districts.
- While water levels are receding in and around Imphal, fresh flooding was reported in Nambol, Bishnupur district.

Assam

- One person drowned on June 5th, bringing the total number of deaths to 34 this flood season.
- Nearly 2.5 lakh people are affected across Cachar, Dima Hasao, Hailakandi, Hojai, West Karbi Anglong, Karimganj, Morigaon, and Nagaon districts.
- Nagaon is the worst hit with over 1.4 lakh people affected, followed by Cachar with around 65,500 people, and Hojai with approximately 18,500 people.
- Over 32,200 domestic animals and poultry have been impacted by the floods.
- 375 villages and 5,055.6 hectares of crop areas are submerged.
- The Kopili, Barak, and Kushiya rivers are flowing above the danger level.
