- Additionally, essential items such as furniture kits, kitchen kits, and hygiene kits are being distributed to families as part of the 'Back to Home' program, aiding those who have moved to rented houses.
- Government plans to provide 300 rupees per day to unemployed members of landslide-affected families, with a maximum of 18,000 rupees available for two people per month.
- Experts and relevant officials conduct a meeting to discuss concerns, updates, and plans for future rehabilitation and support.
- Chief Secretary convened a high-level meeting, with affected people from Mundakkai & Chooralmala in the presence of experts working in the current scenario. The meeting focused on the ongoing rehabilitation efforts and strategies providing long-term support to the affected communities. Conducted an effective discussion with victims

Humanitarian Response

- The **GO-NGO Coordination Desk** is actively working to ensure the effective management and mobilization of resources from NGOs to government agencies. This includes regular updates to the database of vendors, requirements, and NGO activities, ensuring that all stakeholders are informed and resources are allocated efficiently.
- **IAG Wayanad** organized a meeting on 1st August 2024 with all responding organizations currently working in Wayanad, as well as those planning to respond. An executive committee meeting was held on 3rd August with support from the DEOC, followed by a follow-up meeting on 10th August
- In observance of World Humanitarian Day, **Sphere India and KSDMA**, in collaboration with **IAG Wayanad**, organized a poster campaign with the motto “Act for Humanity - United for Wayanad” to honour and express gratitude to all those who are tirelessly working towards the recovery efforts.

Some of the humanitarian interventions in the last week are captured below. For more details on response interventions from 30th July to 20th Aug 2024 you can refer the IAG GO-NGO Coordination [News Bulletin >>](#)

- **Tata Disaster Response team** has provided crucial aid, including 200 single beds, 200 pillows, 200 track suits, and 200 blankets, alongside essential hygiene supplies and food items like 1500 kg of boiled rice. They also supplied 50 almirahs, 50 cots, 50 dining tables, and 200 chairs to support families in temporary accommodations. Moving forward, their focus will be on the restoration of education infrastructure, mental health support, and livelihood restoration for long-term rehabilitation in Wayanad.
- **The Family Planning Association of India (FPAI)** is focused on reproductive health and hygiene and has agreed to collaborate with the Medical Department to provide assistance to people in these areas.
- **Shreyas** plans to contribute to the rehabilitation of the affected population by providing 'Back to Home' kits and offering livelihood support. Additionally, they intend to conduct medical camps to ensure the well-being of the community.
- **Humane Society International India(HIS India)** has rescued and provided relief to 90 cattle, 13 cats, 22 dogs, and 60 fowls in the affected area. They also plan to conduct a long-term needs assessment to identify and address the long-term recovery needs of animals in affected areas.
- Under **DLSA leadership**, para-legal volunteers assisted migrant workers in returning home, coordinated through a "Task Force" WhatsApp group. Surveys were conducted in camps, and psychological assistance was provided. They plan to hold an Adalat to resolve grievances and set up a Legal Aid Clinic with the State Legal Authority for legal support.
- **YMCA India** has committed to the furniture kit by providing 50 cots and 25 cots are successfully delivered
